### Our Seniors Have Talent!

Former engineer and Navy veteran Frank Edwards shares two of his pieces for our exhibit – a step stool and a pipe holder for his Dutch Pipes.

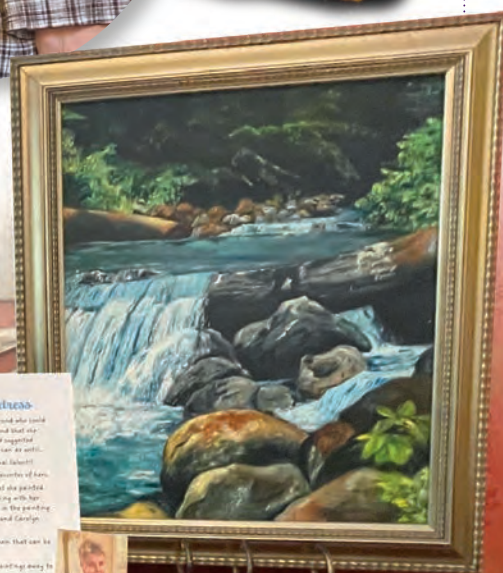

Our talent showcase was a wonderful opportunity to see our residents' many natural gifts on full display. The exhibit consisted of fine art, quilts, handmade jewelry, published books, woodwork, and more. Residents also shared their advocacy awards, community service accomplishments, and musical career highlights. Our seniors are truly amazing!

Although she's made over 300 baskets during her life, Sharon Sutton has never sold one. Instead, she prefers to give her baskets to loved ones at family reunions. What a wonderful gift!

Carolyn Childress poses with her beautiful masterpieces. The two acrylic paintings now adorn the walls of her apartment at Our Lady of Peace.

**Carolyn Childress**  
In her family, Carolyn had a friend who loved to paint. After opening to the friend that she wanted to paint, the friend suggested trying to paint some of the things she saw in nature. Carolyn had a natural talent. There are many paintings in her family of her. The "Green Bridge" was one that she painted about 10 years ago after working with her family on the green area down in the garden. Her husband took a photo of it, and Carolyn decided to paint it. The other is a painting of a stone that she found on her own property. Carolyn has given some of her paintings away to friends and family, but she has never been interested in selling any. She said that her mother became interested in painting with the same sense of Carolyn's and she also enjoyed it.

# Lights, Camera, *Action!*

Our residents are becoming local celebrities. Our news station captured testimonials from Barbara Allison, Sue Corney, and Bob Barsalou, as well as footage of other residents and team members simply enjoying life in our community. The film crew was extremely impressed by our well-prepared and poised residents. Watch for our three unique commercials on NBC 29.

Bob is relaxed during filming, as were all our other residents basking in the spotlight.

# Beach Party Bash

If you can't make it to the beach, bring the beach to you! The DePiro Room was transformed into a sandy oasis complete with a "swimming pool," fishing poles, and a whole lot of fun. Fruit, yogurt pretzels, and cocktails made residents smile as they listened to the greatest hits of The Beach Boys.

Recreational Leaders Troy Johnson, Staci Beverage, and Cameron Tanous enjoy lounging at "the beach!"

All eyes are on Dell as she sports the latest in summer fashion.

# Genesis Rehab Services is Now Powerback Rehabilitation

With over 36 years of success and expertise, Genesis Rehab—our community's on-site provider of physical, occupational, and speech therapy—is refreshing their brand to better reflect the scope of services they provide. They will soon be known as **Powerback Rehabilitation**. The name change reflects their commitment to wellness and their mission to help patients get their power back.

Residents can expect the same quality care from the same friendly therapists. A full transition to the new branding is expected by January 2023. To learn more, visit [www.powerbackrehab.com](http://www.powerbackrehab.com).
