High Spirits

Christopher Center and Nursing Center residents spent quality time with members of the Albemarle County High School Cheer Team. Their joyous demeanors brought smiles to all as they demonstrated their favorite routine and joined us for painting and games. A special thank you for these generous young ladies for volunteering their time and spreading cheer wherever they go!

Residents from the Christopher Center and Nursing Center enjoyed puzzles, watercolor painting, and chats with the team.

To Find a Cure

We had an incredible turnout for our Walk to End Alzheimer's Kick-off event, which included fruit smoothies, a bake sale, a basket raffle, and all things purple.

We also participated in the Longest Day – a fundraising event for the Alzheimer's Association held each year on the summer solstice. Christopher Center and Nursing Center residents played games, enjoyed snacks, and showed support for Team Our Lady of Peace. By raising money and awareness, we hope to be a part of finding a cure for Alzheimer's disease.

July Jamborees

Celebrating Independence Day is one of our favorite summer traditions. Popsicles on the porch was the perfect way to commemorate the holiday.

As summer heated up, our Life Enrichment Team planned an exciting summer carnival but moved the action indoors. We stayed cool in the DePiro room while playing games and munching on funnel cake!
