# Picture Perfect

They say a picture is worth a thousand words, which is good, because our residents and staff have a lot of great things to say about Our Lady of Peace! Our summer photo shoot helped us capture many of them living their best lives. Thank you to the individuals who participated, as well as the entire resident population, who graciously adjusted their daily routines to accommodate the photography.

# Working Like a Dog

Green Dogs Unleashed is a nonprofit organization committed to rescuing animals in need, rehabilitating them, and giving them professional therapy dog training with the end goal of placement in homes to give back to the community. As a community of pet lovers, we just had to meet some of their graduates! Susan brought her therapy dog Emma (a poodle/Bernese Mountain dog), and Carolyn brought her Dalmatian, Pyewacket—or Pye, for short.

Emma and Dee Schwagerl share a warm moment.

# Pass the Popcorn

Christopher Center residents got the full theater experience this summer with movie-themed bento boxes. Filled with popcorn, drinks, and cookies, they really put us in a cinematic mood!

## Showing Our State Pride

When we find a group of team members and residents who all hail from the same state, we like to plan a party around it. Sherry and Staci Beverage—our dynamic mother-daughter duo from the Life Enrichment Department—hosted an event to showcase their home state of West Virginia. Sherry made pepperoni rolls for all to enjoy, Staci shared highlights about the state, and our West Virginia residents regaled us with tales from their time in the Mountain State. A sing-along featuring “Take Me Home, Country Roads,” was enjoyed by all!

Spicy and cheesy pepperoni rolls are a WV specialty, as are (from left) Ray Haas, Sherry Beverage, Bill Milstead, Joanne Peach and Staci Beverage.
